House Keeping Plan

- When you arrive, look for the Electrical Box behind the front door. Turn on all the breakers with White marks. When you leave turn off all the breakers with White marks
 - Queen Size Bed, Full Size Futon, and Twin Futon are provided.
 - Please bring your: __Sheets, __Pillows, __Blankets, __Towels, and __Dish Cloths
 - The kitchen is furnished with dishes, glasses, cups, basic kitchen tools, coffeepot, toaster, microwave, range, & refrigerator. Feel free to use these, remember where you got things from, please clean them and put them back when you are finished.
 - The Cottage is on a Holding Tank, so try to be conservative with shower time.
 - The water comes from a well, but it is high in iron. You may want to bring water for drinking and coffee.
 - No phone will ring at the cabin, unless it is your mobile phone. We have Sprint phones and the service is very good.
 - The parking area is pretty well defined, but limited to two, maybe three cars.
 - The fireplace in the living room works great. Feel free to use it, but use usual fire safety precautions. Please use discretion on how much wood you use. The fireplace in the Bedroom is decorative, please do not use it.
 - If the weather is unseasonably cold, you may use the electric heat. There are thermostats in the living room, bedroom and bathroom. When not in use, please turn them down all the way.
 - Ample Cleaning Supplies are in the closet. The cottage should be clean when you arrive. If it is not to your satisfaction, you may submit a bill for additional supplies and a reasonable charge for your time.
 - When leaving, please remember to return all furniture and furnishings to the way it was when you arrived.
 - You can buy special trash bags at Bley's Grocery in Jacksonport or the gas station in Valmy. They can be put in the dumpster at the gas station in Valmy without any additional charge, or take the trash with you.
